MEMORANDUM FOR:

FROM: Maurice C. Ernst  
National Intelligence Officer for Economics

SUBJECT: The Debt Problem Revisited

Attached is an informal memorandum I have prepared on the LDC debt problem. With about a year having passed since the interagency study on this issue was prepared and the NSSD issued, I thought it would be useful to revisit the problem in the light of what we have learned during that year. I would very much appreciate your comments.
